	Exhibit C – District Responsibilities	

17 c. The United States and the District entered into an eight-year repayment contract,
18 No. 14-WC-20-4597, executed on April 4, 2018, for pre-construction activity costs associated
19 with extraordinary maintenance work (XM work) on the Truckee Canal (Canal); and

20 d. An Environmental Impact Statement (EIS) analyzing the impacts of the
21 construction for the Truckee Canal Extraordinary Operations and Maintenance Project was
22 prepared and the Bureau of Reclamation (Reclamation) signed a Record of Decision for the EIS
23 on December 15, 2020; and

24 e. On August 25, 2021, the United States and the District executed contract No. 7-
25 07-20-X0348-X, to become effective on January 1, 2022, for the operation, maintenance, and
26 replacement of the Project through December 31, 2047; and

27 f. Pursuant to Section 9603 of Public Law 111-11, the Secretary of the Interior,
28 acting through Reclamation, is authorized to expend funds for extraordinary operation and
29 maintenance work and to negotiate a contract for repayment of those costs, with interest; and

30 g. Reclamation, in consultation with the District, has determined that XM work
31 within the Truckee Division of the Newlands Project is needed on the Canal to ensure the
32 continued safe, dependable, and reliable delivery of project water; and

33 h. The Truckee Canal XM Project Engineering and Economic Feasibility Design
34 Study (Study) prepared in 2019 by Reclamation estimates the cost for the entire XM work on the
35 Canal to be \$148,000,000. Reclamation has been authorized to advance the costs incurred by the
36 District in conducting XM work, up to \$35,000,000 in total; and

37 i. Reclamation will provide final design, specifications and an updated cost estimate
38 for the XM work defined in this Contract. The XM work covered by this Contract prioritizes the

39 areas of highest risk with public safety impacts and is not the entire XM work described in the
40 Study; and

41 j. Pursuant to Title XI, Section 1101 of Public Law 116-120, Reclamation's existing
42 XM authority was amended by the establishment of the Aging Infrastructure Account (Account)
43 and an annual application process was established for eligible contractors to apply for funds and
44 extended repayment. The 2021 Bipartisan Infrastructure Law provided funding for the Account
45 for extraordinary maintenance needs over the next five years; and

46 k. The District submitted an application in January 2022 requesting funding from the
47 Account for lining 3-1/2 miles of the Canal and work associated with two check structures, with
48 a request that the canal lining be designated as emergency extraordinary maintenance work.
49 Reclamation determined that none of the work should be designated as emergency extraordinary
50 maintenance work; and

51 l. This Contract is established for the repayment of reimbursable costs arising from
52 XM work on the Canal; and

53 m. In consideration of the mutual and dependent covenants herein contained, the
54 Parties mutually agree as follows:

55 DEFINITIONS

56 1. When used in this Contract, the term:

57 (a) "Contracting Officer" shall mean the Secretary of the Interior's duly
58 authorized representative acting pursuant to this Contract or applicable Federal Reclamation law
59 or regulation.

60 (b) "Existing Contract" shall mean contract No. 7-07-20-X0348-X, effective
61 January 1, 2022, between the United States and the District.

62 (c) "Extraordinary Maintenance Work" or XM work shall mean major,
63 nonrecurring maintenance on the Canal that is intended to ensure the continued safe, dependable,
64 and reliable operation of the Canal consistent with 43 U.S.C. § 510 and is provided for in Article
65 3 and Exhibit B. XM Work includes construction costs, non-construction costs, and Reclamation
66 oversight costs.

67 (d) "Fiscal Year" shall mean the period of October 1 through September 30 of
68 the following Year, both dates inclusive.

69 (e) "Project" shall mean the Newlands Reclamation Project located in
70 California and Nevada.

71 (f) "Repayment Obligation" shall mean the entire sum of funds expended by
72 the United States for any XM work pursuant to this Contract, plus accrued interest, as
73 determined by the Contracting Officer and reflected in Exhibit A.

74 (g) "Substantially Complete" or "Substantial Completion" shall mean the
75 Contracting Officer's determination, after consultation with the District, that the XM work is
76 sufficiently complete so that the United States or the District may use, operate, or maintain the
77 specific facilities for their intended purpose.

78 (h) "Year" shall mean the period January 1 through December 31, both dates
79 inclusive.

80 TERM OF THE CONTRACT

81 2. This Contract shall become effective on the date first written above and shall
82 remain in effect until the District has fully repaid its Repayment Obligation to the United States
83 as described in Article 5 herein.

84 XM WORK TO BE COMPLETED BY RECLAMATION

85 3. (a) Reclamation will submit a solicitation package(s) for the XM work and
86 will award the construction contracts. The scope of the XM work detailed in Exhibit B, includes,
87 but is not necessarily limited to, the following:

- 88 (1) Canal lining from station 640+00 to 828+00
89 (2) Removal and replacement of the Fernley check structure
90 (3) Modification of the Bango check structure

91 (b) Both Parties agree that the Canal outage for the construction window will
92 be October 1, 2022, through September 30, 2023. The Canal outage may be extended up to
93 thirty (30) days upon mutual agreement between the District and the Contracting Officer.

94 WORK TO BE COMPLETED BY DISTRICT

95 4. The District will complete the work detailed in Exhibit C.

96 DISTRICT'S REPAYMENT OBLIGATION

97 5. (a) The District shall be obligated to repay the entire sum of funds expended
98 by Reclamation to perform XM work as provided in Article 3, plus accrued interest, as
99 determined pursuant to paragraph (c) herein, which total is hereinafter referred to as the
100 Repayment Obligation.

101 (b) The interest rate used for computing interest on federal funds applied
102 towards XM work shall be the Department of the Treasury rate as of the beginning of the quarter
103 in which federal funds are disbursed for XM work completed under this Contract, on the basis of
104 average market yields on outstanding marketable obligations of the United States with the
105 remaining periods of maturity comparable to the applicable reimbursement period of the XM
106 work, adjusted to the nearest 1/8 of 1 percent on the unamortized balance of any portion of the

107 Repayment Obligation. Interest accrual shall commence in the quarter when federal funds are
108 incurred towards XM work and will be computed on an annual basis on the unpaid balance of the
109 Repayment Obligation for XM work, as determined by the Contracting Officer.

110 (c) As soon as practicable following the written determination by the
111 Contracting Officer that the XM work is Substantially Complete, and after consultation with the
112 District, the Contracting Officer shall provide the District with a repayment schedule requiring
113 equal annual installments within the term provided in paragraph (d) herein of this Contract,
114 which schedule(s) shall be incorporated into this Contract as Exhibit A, and may be updated by the
115 Contracting Officer without amendment of this Contract.

116 (d) The District shall repay the total Repayment Obligation over a period of
117 no more than fifty (50) years from the date on which the Contracting Officer determines that the
118 XM work is Substantially Complete.

119 (e) The District may, at any time, prepay all or a portion of the unpaid
120 Repayment Obligation as provided herein without penalty, notwithstanding any interest accrued.

121 PRESERVATION OF EXISTING CONTRACT

122 6. Except as specifically provided herein, the Existing Contract shall continue in full
123 force and effect as originally written, executed, and amended. Any dispute between this
124 Contract and the Existing Contract shall be resolved pursuant to Article 8 of this Contract.

125 SEVERABILITY

126 7. In the event that any one or more of the provisions contained herein shall, for any
127 reason, be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality,
128 or unenforceability shall not affect any other provisions of this Contract, but this Contract shall
129 be construed as if such invalid, illegal, or unenforceable provisions had never been contained

130 herein, unless the deletion of such provisions would result in such a material change so as to
131 cause the fundamental benefits afforded the Parties to this Contract to become unavailable or
132 materially altered.

133 RESOLUTION OF DISPUTES

134 8. Should any dispute arise concerning any provision of this Contract, the
135 Contracting Officer's representative shall meet and confer with the District in an attempt to
136 resolve the dispute within sixty (60) days. If the dispute has not been resolved within the sixty
137 (60) days, it shall be referred to the Contracting Officer to resolve the dispute within ninety (90)
138 days.

139 CHARGES FOR DELINQUENT PAYMENTS

140 9. (a) The District shall be subject to interest, administrative, and penalty
141 charges on delinquent payments. If a payment is not received by the due date, the District shall
142 pay an interest charge on the delinquent payment for each day the payment is delinquent beyond
143 the due date. If a payment becomes sixty (60) days delinquent, the District shall pay, in addition
144 to the interest charge, an administrative charge to cover additional costs of billing and processing
145 the delinquent payment. If a payment is delinquent ninety (90) days or more, the District shall
146 pay, in addition to the interest and administrative charges, a penalty charge for each day the
147 payment is delinquent beyond the due date, based on the remaining balance of the payment due
148 at the rate of six (6) percent per year. The District shall also pay any fees incurred for debt
149 collection services associated with a delinquent payment.

150 (b) The interest rate charged shall be the greater of either the rate prescribed
151 quarterly in the *Federal Register* by the Department of the Treasury for application to overdue
152 payments, or the interest rate of 0.5 percent per month. The interest rate charged will be
153 determined as of the due date and remain fixed for the duration of the delinquent period.

154 (c) When a partial payment on a delinquent account is received, the amount
155 received shall be applied first to the penalty charges, second to the administrative charges, third
156 to the accrued interest, and finally to the overdue payment.

157 BOOKS, RECORDS, AND REPORTS

158 10. The District shall establish and maintain accounts and other books and records
159 pertaining to administration of the terms and conditions of this Contract, including the District's
160 financial transactions; water supply data; project operation, maintenance, and replacement logs;
161 project lands and rights-of-way use agreements; and other matters that the Contracting Officer
162 may require. Reports shall be furnished to the Contracting Officer in such form and on such date

163 or dates as the Contracting Officer may require. Subject to applicable Federal law and
164 regulations, each Party to this Contract shall have the right during officer hours to examine and
165 make copies of the other Party's books and records relating to matters covered by this Contract.

166 RULES, REGULATIONS, AND DETERMINATIONS

167 11. (a) The Parties agree that the delivery of water or the use of Federal facilities
168 pursuant to this Contract is subject to Federal reclamation law, as amended and supplemented,
169 and the rules and regulations promulgated by the Secretary of the Interior under Federal
170 reclamation law.

171 (b) The Contracting Officer shall have the right to make determinations
172 necessary to administer this Contract that are consistent with its expressed and implied
173 provisions, the laws of the United States and the State of Nevada, and the rules and regulations
174 promulgated by the Secretary of the Interior. Such determinations shall be made in consultation
175 with the District.

176 GENERAL OBLIGATION—BENEFITS CONDITIONED UPON PAYMENT

177 12. (a) The obligation of the District to pay the United States as provided in this
178 Contract is a general obligation of the District notwithstanding the manner in which the
179 obligation may be distributed among the District's water users and notwithstanding the default of
180 individual water users in their obligation to the District.

181 (b) The payment of charges becoming due pursuant to this Contract is a
182 condition precedent to receiving benefits under this Contract.

183 NOTICES

184 13. Any notice, demand, or request authorized or required by this Contract shall be
185 deemed to have been given, on behalf of the District, when mailed, postage prepaid, or delivered
186 to the Area Manager, Lahontan Basin Area Office, Bureau of Reclamation, 705 N. Plaza Street,
187 Room 320, Carson City, Nevada 89701, and on behalf of the United States, when mailed,
188 postage prepaid, or delivered to the Board of Directors, Truckee-Carson Irrigation District, P.O.
189 Box 1356, Fallon, Nevada 89407-1356. The designation of the addressee or the address may be
190 changed by notice given in the same manner as provided in this Article for other notices.

191 CONTINGENT ON APPROPRIATION OR ALLOTMENT OF FUNDS

192 14. The expenditure or advance of any money or the performance of any obligation of
193 the United States under this Contract shall be contingent upon appropriation or allotment of
194 funds. Absence of appropriation or allotment of funds shall not relieve the District from any
195 obligations under this Contract. No liability shall accrue to the United States in case funds are
196 not appropriated or allotted.

197

OFFICIALS NOT TO BENEFIT

198 15. No Member of or Delegate to the Congress, Resident Commissioner, or official of
199 the District shall benefit from this Contract other than as a water user or landowner in the same
200 manner as other water users or landowners.

201

ASSIGNMENT LIMITED—SUCCESSORS AND ASSIGNS OBLIGATED

202 16. The provisions of this Contract shall apply to and bind the successors and assigns
203 of the respective Parties, but no assignment or transfer of this Contract or any right or interest
204 therein by either Party shall be valid until approved in writing by the other Party.

205

EQUAL EMPLOYMENT OPPORTUNITY

206 17. During the performance of this contract, the District agrees as follows:

207 (1) The District will not discriminate against any employee or applicant for
208 employment because of race, color, religion, sex, sexual orientation, gender identity, or national
209 origin. The District will take affirmative action to ensure that applicants are employed, and that
210 employees are treated during employment, without regard to their race, color, religion, sex,
211 sexual orientation, gender identity, or national origin. Such action shall include, but not be
212 limited to the following: employment, upgrading, demotion, or transfer; recruitment or
213 recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and
214 selection for training, including apprenticeship. The District agrees to post in conspicuous places,
215 available to employees and applicants for employment, notices to be provided by the Contracting
216 Officer setting forth the provisions of this nondiscrimination clause.

217 (2) The District will, in all solicitations or advancements for employees
218 placed by or on behalf of the District, state that all qualified applicants will receive consideration
219 for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or
220 national origin.

221 (3) The District will not discharge or in any other manner discriminate against
222 any employee or applicant for employment because such employee or applicant has inquired
223 about, discussed, or disclosed the compensation of the employee or applicant or another
224 employee or applicant. This provision shall not apply to instances in which an employee who
225 has access to the compensation information of other employees or applicants as a part of such
226 employee's essential job functions discloses the compensation of such other employees or
227 applicants to individuals who do not otherwise have access to such information, unless such
228 disclosure is in response to a formal complaint or charge, in furtherance of an investigation,
229 proceeding, hearing, or action, including an investigation conducted by the employer, or is
230 consistent with the District's legal duty to furnish information.

231 (4) The District will send to each labor union or representative of workers
232 with which he has a collective bargaining agreement or other contract or understanding, a notice,
233 to be provided by the agency Contracting Officer, advising the labor union or workers'
234 representative of the District's commitments under section 202 of Executive Order No. 11246 of

235 September 24, 1965, and shall post copies of the notice in conspicuous places available to
236 employees and applicants for employment.

237 (5) The District will comply with all provisions of Executive Order No. 11246
238 of Sept. 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

239 (6) The District will furnish all information and reports required by Executive
240 Order No. 11246 of September 24, 1965, and by the rules, regulations, and orders of the
241 Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and
242 accounts by the Contracting Agency and the Secretary of Labor for purposes of investigation to
243 ascertain compliance with such rules, regulations, and orders.

244 (7) In the event of the District's noncompliance with the nondiscrimination
245 clauses of this contract or with any of such rules, regulations, or orders, this contract may be
246 canceled, terminated or suspended in whole or in part and the District may be declared ineligible
247 for further Government contracts in accordance with procedures authorized in Executive Order
248 No. 11246 of Sept. 24, 1965, and such other sanctions may be imposed and remedies invoked as
249 provided in Executive Order No. 11246 of September 24, 1965, or by rule, regulation, or order of
250 the Secretary of Labor, or as otherwise provided by law.

251 (8) The District will include the provisions of paragraphs (1) through (8) in
252 every subcontract or purchase order unless exempted by the rules, regulations, or orders of the
253 Secretary of Labor issued pursuant to section 204 of Executive Order No. 11246 of September
254 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The District
255 will take such action with respect to any subcontract or purchase order as may be directed by the
256 Secretary of Labor as a means of enforcing such provisions, including sanctions for
257 noncompliance: Provided, however, that in the event the District becomes involved in, or is
258 threatened with, litigation with a subcontractor or vendor as a result of such direction, the
259 District may request the United States to enter into such litigation to protect the interests of the
260 United States.

261 COMPLIANCE WITH CIVIL RIGHTS LAWS AND REGULATIONS

262 18. (a) The District shall comply with Title VI of the Civil Rights Act of 1964
263 (Pub. L. 88-352; 42 U.S.C. § 2000d), the Rehabilitation Act of 1975 (Pub. L. 93-112, Title V, as
264 amended; 29 U.S.C. § 791, et. Seq.), the Age Discrimination Act of 1975 (Pub. L. 94-135, Title
265 III; 42 U.S.C. § 6101, et seq.), Title II of the Americans with Disabilities Act of 1990 (Pub. L.
266 101-336; 42 U.S.C. § 12131, et seq.), and any other applicable civil rights laws, and with the
267 applicable implementing regulations and any guidelines imposed by the U.S. Department of the
268 Interior and/or Bureau of Reclamation.

269 (b) These statutes prohibit any person in the United States from being
270 excluded from participation in, being denied the benefits of, or be otherwise subjected to
271 discrimination under any program or activity receiving financial assistance from the Bureau of
272 Reclamation on the grounds of race, color, national origin, disability, or age. By executing this
273 Contract, the District agrees to immediately take any measures necessary to implement this

274 obligation, including permitting officials of the United States to inspect premises, programs, and
275 documents.

276 (c) The District makes this Contract in consideration of and for the purpose of
277 obtaining any and all Federal grants, loans, contracts, property discounts or other Federal
278 financial assistance extended after the date hereof to the District by the Bureau of Reclamation,
279 including installment payments after such date on account of arrangements for Federal financial
280 assistance which were approved before such date. The District recognizes and agrees that such
281 Federal assistance will be extended in reliance on the representations and agreements made in
282 this Article, and that the United States reserves the right to seek judicial enforcement thereof.

283 (d) Complaints of discrimination against the District shall be investigated by
284 the Contracting Officer's Office of Civil Rights.

285 CERTIFICATION OF NONSEGREGATED FACILITIES

286 19. The District hereby certifies that it does not maintain or provide for its employees
287 any segregated facilities at any of its establishments and that it does not permit its employees to
288 perform their services at any location under its control where segregated facilities are
289 maintained. It certifies further that it will not maintain or provide for its employees any
290 segregated facilities at any of its establishments and that it will not permit its employees to
291 perform their services at any location under its control where segregated facilities are
292 maintained. The District agrees that a breach of this certification is a violation of the Equal
293 Employment Opportunity clause in this Contract. As used in this certification, the term
294 "segregated facilities" means any waiting rooms, work areas, rest rooms and wash rooms,
295 restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas,
296 parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing
297 facilities provided for employees which are segregated by explicit directive or are in fact
298 segregated on the basis of race, creed, color, or national origin, because of habit, local custom,
299 disability, or otherwise. The District further agrees that (except where it has obtained identical
300 certifications from proposed subcontractors for specific time periods) it will obtain identical
301 certifications from proposed subcontractors prior to the award of subcontracts exceeding \$10,000
302 which are not exempt from the provisions of the Equal Employment Opportunity clause; that it
303 will retain such certifications in its files; and that it will forward the following notice to such
304 proposed subcontractors (except where the proposed subcontractors have submitted identical
305 certifications for specific time periods):

306 NOTICE TO PROSPECTIVE SUBCONTRACTORS OF REQUIREMENT FOR
307 CERTIFICATIONS OF NONSEGREGATED FACILITIES

308 A Certification of Nonsegregated Facilities must be submitted prior to the award of a
309 subcontract exceeding \$10,000 which is not exempt from the provisions of the Equal
310 Employment Opportunity clause. The certification may be submitted either for each subcontract
311 or for all subcontracts during a period (i.e., quarterly, semiannually, or annually). Note: The
312 penalty for making false statements in offers is prescribed in 18 U.S.C. § 1001.

313

MEDIUM FOR TRANSMITTING PAYMENTS

314 20. (a) All payments from the District to the United States under this Contract
315 shall be by the medium requested by the United States on or before the date payment is due. The
316 required method of payment may include checks, wire transfers, or other types of payment
317 specified by the United States.

318 (b) Upon execution of the Contract, the District shall furnish the Contracting
319 Officer with the District's taxpayer's identification number (TIN). The purpose for requiring the
320 District's TIN is for collecting and reporting any delinquent amounts arising out of the District's
321 relationship with the United States.

322

324 whom is sophisticated in the matters to which this Contract pertains. Articles 1 through 8 of this
